Dear Mr Kesavaiengar,

I saw the Dewan on Wednesday about a farewell party to Mr Metcalfe. The University institutions in Bangalore will probably combine to read a farewell address to him. The Dewan told me personally that there would be no objection to this, & asked me to make formal application to you today. I shall be obliged if you can let me know as soon as possible, as there is not very much time to make arrangements.

Yours sincerely
E. G. McAlpine

March 16, 1937.

Dear Sir Mirza Ismail,

We had a meeting last night in connection with the arrangements for the Farewell Party to Dr. & Mrs. Metcalfe. The question arose as to how the Address should be actually presented to Dr. Metcalfe. It was felt that it would obviously be inadequate merely to hand the piece of paper to him, and at the same time we were not sure whether Government's permission to present the Address was intended to imply that the Address should be in a suitable container. Someone suggested that we might frame the Address and present it in that form. I pointed out, however, that as the function would probably be taking place only the ~~week~~ day before Dr. & Mrs. Metcalfe left Bangalore , it would be most inconvenient to saddle them at the last minute with a picture, that is both awkward to pack and fragile. In these circumstances, the Committee requested me to ascertain from you whether Government would have any objection to the Address being placed in a small silver cylinder mounted on a block of rosewood. It is felt by all of us that merely to hand over a piece of paper will be rather an anti-climax to the function, and we hope that we may be permitted to place the Address in a small casket.

Yours sincerely,

E G McAlpine
